

DIRECT SCHOOL ADMISSION (DSA) EXERCISE 2025 FOR CLUBS

Clubs encompass a diverse range of interests which are both knowledge-based and skills-based. In the respective Club CCAs, students will learn how to

- use software to create storyboard to animate
- operate a robot or operate and handle PA equipment and devices
- capture and edit photos or videos to collate into a montage

The Clubs have a few milestone activities and events throughout the school year, such as (i) participation in competitions; (ii) organisation of school events such as exhibitions and festival; (iii) attendance at workshops/talks/courses.
